REFERENCE

Specific statutory provisions pertaining to purchasing and contracting include but are not limited to: Section 112.313 (standards of conduct), Section 180.24 (bids on construction contracts), Section 218.70, et. Seq. (the Florida Prompt Payment act), Section 225.20 (local bid law), Section 287.055 (consultants' competitive negotiation act), Section 336.44 (county roadwork).

POLICY

The policy amends the sections of the Purchasing Manual "Approval Process for All Purchase Orders" and "Bid Process" to read:

The Purchasing Department is the only department authorized to issue purchase orders.

For purchases of single items less than \$2,500 best purchasing practices should be used with purchase orders authorized by Department Heads. Purchase orders with a per unit cost of \$2,500 to \$35,000 will be authorized by the Department Head and the County Administrator. Three written quotes are required if available. If three quotes are not available the "No quotes" must still be documented in writing including a copy of the email or fax requesting the quote. All requests for quotation should contain a written specification.

NOTE: Regardless of the number of individual items purchased or exemptions in the purchasing manual any purchase order cumulatively totaling \$15,000 or more must be approved by the County Administrator or designee.

Certain purchases may be exempted from the purchasing and/or bid process as defined in the Purchasing Manual (such as vehicles bought under state contract, etc.).

NOTE: The requesting Department shall pay particular attention to contract/services agreements which have the potential to exceed the \$50,000 limit over the life of the contract.

The local vendor preference policy remains in effect.
