

## TAYLOR COUNTY HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM

The Taylor County Board of County Commissioners sponsors a Household Hazardous Waste Collection Program. A permanent collection center operates at the Environmental Services Main Office at 3750 U.S. Hwy 98 West, Perry, FL. This facility is open to the public daily from 7:30 a.m. to 4:00 p.m. The HHW Collection Program also allows residents to drop off paint, used motor oil and household chemicals at the eight solid waste collection centers (roll-off sites) during normal operating hours. The following are examples of household hazardous waste which can be disposed of at the designated sites.

**For more information, call Taylor County Environmental Services at 838-3533.**
