Hi Noah,

I wanted to let you know that we have approved the application for Reserve at Sweetwater Estuary for membership in the Bronze Signature Program. This approval does not indicate support or endorsement of the project. It means that should you obtain the required and proper permits, we would be willing to work with the project to make it the best it can be environmentally.

Your next step in the Signature Program process is to register. I have attached a Registration Agreement. When the time is right, please send the \$12,500 registration/membership fee with the signed Registration Agreement to the Kentucky address (below).

Please let me know if you have questions.

Regards and Happy Holidays!

Nancy
